**MAINTENANCE AND CLEANING OF MOHAIR FABRICS**

1. Never use any soap or soap powder for washing of mohair.
2. Never wash in washing machine.
3. Small items must be treated as other woollen articles and washed in "WOOLITE".  
Shake fringes straight after washing and comb them after drying. They are trimmed with scissors.
4. Larger pieces such as curtains and bedspreads must be drycleaned. Request attention of the dry cleaner for special treatment by preventing excess heat.

**PLEASE NOTE:**

Fabrics with inlaid knobby effect must also receive attention as they can easily be loose from the weave. Fold to the inside and with large stitching close. For ironing they must be again loosened.
